[Drafting Notes for preparing this Report:

- *Eligibility Indicators must be provided or referenced in the Annual Report*
- *Impact Indicators are not mandatory for inclusion in the Annual Report*
- *The sections lined "best practise" are optional, and recommended if possible.*
- *Where quantitative impact indicators are provided, the methods and the key underlying assumptions used in preparation of the indicators and metrics must be disclosed as part of this Annual Report, perhaps in an Annex.*
- *If a table is not appropriate for the relevant Projects & Assets, then a series of short statements can be provided which include the relevant information and indicators.]*

Indian Railway Finance Corporation Ltd. IRFC CIN U65910DL1986GOI026363 New Delhi

The following are optional, and suggested for inclusion if possible.

1. **Introductory Text for the green bond from this issuer**

- How does the green bond (s) fit with the issuer's broader sustainability strategy?
- Is this bond part of a larger Programme? If so, how much has been issued in the programme so far?

2. **Use of proceeds**

- For bonds that finance a mix of proceeds, show a pie chart of distribution of proceeds amongst them
- Other interesting splits of the use of proceeds information... range of performance among a portfolio of buildings.

3. **Process for selection**

- Is there an internal Green Bond Framework which prescribes the process for selection?
- Has the process changed since the issuance / previous report?

4. **Management of proceeds**

- How much has been allocated so far?
- Has the allocation changed since the last report?
- What is being done with unallocated proceeds?

5. **Reporting**

- Where is the reporting available for the public (non boldholders)?
- Is there a broader report which includes green bond information? Eg company annual reporting
- Timeline for issuance of the bond, first report, annual reporting, allocation of proceeds.

6. **See assets list and impact information in the table below.**
